Miranda Receives Bid On Koch Park Building

PLACENTIA — The City Council awarded the bid for the building in Koch Park to Tony Miranda at a cost of \$28,190 at its last meeting last Tuesday evening.

According to the contract work will start in about two weeks and is expected to be completed in about four months. The council has received bids several times on the building but had been rejecting them because of high cost.

Councilmen also approved two requests for time extension on several tentative tracts in the north part of town.

The City has concluded negotiations with the Placentia City Employees Association and have as a result of the negotiations signed a memorandum of understanding with the association.

With this information the City Council, at their regular meeting of October 20, 1970, adopted a resolution establishing a compensation and classification plan for city officers and

employees. The salary increases ranged from 2.7 per cent to 18.9 per cent for the various classifications. The overall average was 7.8 per cent increase.

Saukko, Trojan Horse Appear At Homecoming

PLACENTIA — Richard Saukko and The Trojan Horse Traveler were among the participants in the Heritage Days Parade Saturday, October 24, leading the decorated automobiles of the North Orange County Child Guidance-Placentia Fund Unit.

Following the parade, the entry moved to the Bradford Stadium and circled the field before the El Dorado, Sonora homecoming game. Tommy Trojan (Richard) and The Trojan Horse charged to the strains of "Conquest," played by the El Dorado Band, as is done at all local U.S.C. games.

Placentia School Board Receives Title I Money

PLACENTIA — The Board of Education of the Placentia Unified School District, at their Monday meeting, announced that funds in the amount of \$48,203.00 have been approved for the Title I program retroactive to July 1 of this year.

Discussion was held on the burglary and vandalism report. The Board noted that for a three month period we have a cost to the District of approximately \$5,000.00. Ways were brought out by which this could be stopped. The main thought was if the parents would realize the magnitude of the amount they themselves might act.

A report was given by the mothers' Food Services Study Committee in which they noted the kindergarten nutrition break, free lunches and vending machines are a good beginning in improved food services but that some improvements are still needed in types of food for machines and more imaginative leadership in nutritional education.

The Board of Education ratified the modified double-session schedule at Glenknoll Elementary School which went into effect October 19.

Wykoff Resigns As Yorba Linda City Assistant

YORBA LINDA — Administrative Assistant Rick Wykoff submitted his resignation effective November 14 to take a similar job with the city of Buena Park last week.

Wykoff, who has been with the city since July 1968, commented that his new position would give him a chance to increase his professional knowledge. He will continue to live in Yorba Linda.

Fiesta Days Parade Planned For Saturday

YORBA LINDA — The Service League's Fiesta Days Parade is going to be a grand event this year with over 70 entries in the parade and 32 booths. The parade will be held on October 31 in the center of town.

The parade route begins at Avolinda and Plumosa and goes south to Lemon, then east to

Main Street and south to Yorba Linda Boulevard. The parade officially ends at Richard Nixon School.

The main viewing area of the parade will be on Main Street and most of the floats will be returning there after the parade to be seen up close.

The parade begins promptly at 10 a.m. with the honor division including Yorba Linda Mayor George Machado and City Councilmen Roland Bingonger, Rudy Castro, Henry Wedaa, city manager Darrell Dalton, city attorney, Jim Erickson and the school board. Miss Merrillie Cunningham, who is Miss Yorba Linda, will also march in the honor division.

A reviewing stand will be placed at the corner of Main and Imperial where the members of the honor division will join their families to view the remainder of the parade.

Four announcers will be stationed along the parade route to give everyone a chance to hear. They will be Toby Cromwell, Leonard Deuker, Jim Matych and Dr. Scott Hall.

Over 20 floats are entered along with many decorated cars and trucks. There will be four bands, many equestrian groups, some antique and racing cars, and even some clowns.

Streets To Be Closed For Fiesta Parade

YORBA LINDA — Streets along the Fiesta Days Parade route will be posted with no parking signs later this week to clear them for the parade.

These streets will be barricaded from 10 a.m. to 12 noon October 31 for the parade. In addition Main Street will be closed until about 3 p.m. because of the booths there.

City Administrator Darrell Dalton commented that people should move their cars from the no parking area and should not move the barricades to use the closed streets.

CSF Will Join Other Colleges In Admissions

FULLERTON — With enrollment expected to exceed 16,000 in the fall of 1971, California State College, Fullerton, will join November 2 in a common admissions program that allows prospective students to apply at one state college campus and list alternative choices at the same time.

When space is unavailable at the campus of first choice, the program permits automatic referral of applications to the others, according to Mrs. Mildred H. Scott, CSCF's associate director of admissions and records.

Applications may be returned to the college of first choice on any day between November 2 and 30 and still receive equal consideration.

Back, Leg Pains Will Get Worse Before Better

An estimated half million people will be disabled this year by spinal defects which cause low back and leg pain. We asked Dr. David Brinkley, of the Brinkley Chiropractic Center, what is being done to correct this grave problem.

Dr. Donald Brinkley

Our research," says Dr. Brinkley, "indicates that most low back and associated leg pains are caused by truly mechanical defects in the alignment of one or more segments of the lower spine."

These spinal segments may be displaced, Dr. Brinkley indicates, by a fall, accident or back strain. "Another frequent cause is chronic posture decay," he adds.

"It's reasonably simple," he notes. "When a spinal segment is displaced, the supporting muscles and ligaments may be stretched or torn causing acute and disabling back pain. When a segment is displaced beyond a critical point," Dr. Brinkley continues, "it partly closes the nerve openings between adjacent segments. The result is excruciating pain, which needless to say, is anything but reasonable."

Dr. Brinkley points out that the spinal nerves which supply the legs pass through the openings between adjacent segments of the lower spine. "You see, when one of the segments is

displaced, the nerves to the legs might be pinched or irritated. This brings about the nerve pain that extends down the leg."

What can be done for the person with low back and associated leg pain?

"My experience shows," says Dr. Brinkley, "that individuals with acute and chronic problems of this nature respond extremely well to specialized chiropractic care. Our X-ray analysis can reveal even minute spinal distortions. And I might add," Dr. Brinkley says, "early detection of this problem allows effective care and prevention of progressive spinal defects."

Dr. Brinkley maintains that low back and leg pains often amount to needless suffering. "And let me say that I consider this needless suffering truly without reason."

(Note: More than 550 leading insurance companies recognize claims for modern care such as that available at the Brinkley Chiropractic Center, particularly for the specialized treatment for low back and leg pains as described above.)

Further information regarding this problem can be had by writing the News-Times, Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Maggie Mahoney Named ED Homecoming Queen

Maggie Mahoney was crowned Homecoming Queen, while Sue Kenson and Nancy McClarnon were crowned senior princesses. Patty Jernigan was junior princess, Lori Hinman, sophomore princess, and Julie Swanson freshman princess.

ASB Vice-president

Elliott Almond crowned Queen Maggie Mahoney, and Laurie Brucken, 1969 Homecoming Queen, crowned all princesses.

Preceding the coronation, a parade led by the El Dorado Band and Drill Team circled the field. In all, ten organizations were represented by floats. GAA took first place for their "Raid" can reading "Raid the Raiders."

Troy Parents To Go "Back To School" Soon

It's "Back to School" for parents of Troy High School students on October 28 at 7:45 p.m. when they report

for an in period by grade levels.

According to assistant principal Duncan Johnson, in charge of the evening's schedule, freshman parents will report to the Lecture Hall; sophomore parents to rooms 503, 505 and 507; junior parents to the library; and parents of seniors to the faculty lounge.

Principal Walter F. Beckman will begin the evening by greeting the parents over the school's closed-circuit television.

Refreshments will be provided.

Alumni Invited To Homecoming Dance

Valencia graduates from 1968, 1969 and 1970 with dates may attend the Homecoming Dance Saturday after the game in the gym according to school officials. Cost is \$2.75 per couple.

Paine Float To Honor Association

"PTA Helps Pave the Way" will be the theme of the Mabel Paine PTA float in the Yorba Linda Fiesta Days Parade on October 31. Besides the float, over 200 Halloween-costumed youngsters will be marching from the school. They will be accompanied by many parents, teachers and the school's principal, Al Stefan. The fifth graders will also be carrying a banner.

The PTA will be manning a booth during and after the parade where everyone may buy hamburgers and coffee.

Campership Fund To Be Established

An Earl Coleman Campership Fund has been established in honor of Placentia's former police chief according to Boys' Club Director John Badger.

Badger said that \$100 was collected at the recent "Cop-Out" sponsored by the West Atwood Yacht Club honoring Coleman to start the fund. The sum is sufficient to send three boys to summer camp.

Hawk Band Takes Second In Parade

The already highly-rated El Dorado High School Band proved itself again October 17 when it almost toppled the Loara High School Band from its first place perch in the Silverado Days parade in Buena Park.

Having taken a number of first place parade trophies last year, and taking first place ten days ago in the Tustin Tiller Days parade, the Golden Hawks Band came within two-tenths of

one point of placing first in the Buena Park event.

The Golden Hawks have been invited to the Long Beach All-Western Band Review for the most outstanding high school bands in the West. Warming up for this top event, the band will compete in the Chaffey Band Review on October 31, and the Hawthorne Band Review on November 14.

Music Members Have Full Schedule Ahead

"We really need to make this a singing school," comments Ron Browne, El Dorado High School music teacher. His goal, however, seems close; the ED Concert Choir and Vocal Ensemble have a busy year ahead.

Both groups are already planning for El Dorado's annual Christmas performance. Accompanied by the orchestra, they plan

to sing Vivaldi's "Gloria," which, according to Browne, is the first time in the district that a major work has been attempted.

The Vocal Ensemble is preparing "light music" for the program. The Girls of Concert Choir are preparing Benjamin Brittain's "A Ceremony of Carols" and will be included in the program.

Vocal Ensemble is a select show group of 20 who plan to perform in the community and travel to different schools in the district during the Christmas season.

Men in Vocal Ensemble are buying tuxedos, and the girls are making gowns for performances. In Concert Choir, new black and gold robes will be ready for Christmas performances.

Sign-ups For Test Scheduled

Students at El Dorado High School wishing to take the National Merit Scholarship Test should see El Dorado counselor Jo Ann Ball, as soon as possible.

Costing \$1.25, the test will be taken at EDHS on February 16, at 9 a.m. Taking the test will help students pick which college to attend and might qualify them for a scholarship in some fields.

El Dorado Tailback Mike Adams gains yardage during the Golden Hawks losing effort against Sonora High School in the homecoming game. The Hawks lost the game 19 to 6.

El Dorado Falls To Sonora Raiders 19-7

Looking for an Orange League victory, El Dorado will host Brea-Olinda High School next Friday night, at Bradford Stadium.

Brea won their first league game against Laguna Beach last week and has a good running attack with Tom Teeple.

El Dorado was stopped by Sonora, Saturday afternoon, 19-7. EDHS got hurt in the second quarter when they couldn't move the ball and Sonora scored two touchdowns. The Raiders ran and passed for 12 points, showing a balanced attack.

In the third quarter, Sonora got another score on a pass, to lead 19-0. They held their lead until two minutes left in the game. Quarterback Phil Hendershot surprised the Raiders defense when he passed on his own five-yard

line to end Ron Hlavac, who scampered 85 yards to score. The play totaled 95 yards and Mark Davenport kicked the extra point.

Fired up from the touchdown, defensive safety, Gary Bones intercepted a Raider pass on the Hawks' 20 yard line and ran it back to the Raiders' 35. However, time ran out before the Hawks had a chance to score again.

Saddleback Romps Over Valencia 34-6

This Friday evening the Valencia Tigers meet the Sonora Raiders in their Homecoming game at Bradford Stadium with action slated for 8 o'clock.

Last week the Tigers ended their three game winning streak by suffering a 34-6 defeat (first in league) to Saddleback which is riding a six-game winning streak and is sitting atop the league with the Raiders.

With the game already put away in the fourth quarter by S.B. the Tigers scored on a long drive led by Sophomore Tom Ricks who started his first game. Ricks connected with Sophomore Richard Hernandez for a 30-yard gain and Dave Fugami caught a Ricks pass for 17 yards, moving the ball to the 13 yard line. Fugami gained five yards on two carries to the five yard line. Three plays later Pat O'Shaughnessy scored from three yards out.

Ricks then hit Craig Caldwell on the two point try but he fell short of the goal line.

Saddleback's Bryan Myracle drove his team 76 yards to open the scoring with 3:12 remaining in the first period. The fine QB called 17 consecutive running plays before carrying it over from four yards out himself.

Defensive back Scott Somerville stopped the conversion attempt by batting down Myracle's pass.

Valencia was only able to ground out seven yards in three running plays and then had to punt from its 26 yard line.

Troy Drops Another League Game 21-6

The Fullerton Indians, after spotting Troy a first quarter touchdown, came back to score three of their own to defeat the Warriors 21-6 at Fullerton Stadium Friday night.

A boisterous Warrior Homecoming crowd saw

Tom Ewing pounce on a Fullerton fumble deep in Indian territory early in the opening stanza. Six plays later quarterback Bill Cathers tossed an 8-yard touchdown pass to John Duir. The PAT was wide but the Warriors had a surprising lead.

However, Fullerton came right back with Bruce Clark scoring on a one yard plunge climaxing a 45-yard drive. Fullerton's conversion was successful as the first quarter ended making the score 7-6.

Late in the first half Randy Hutcherson, making his debut a brilliant one as an Indian quarterback (7 of 11, 114 yards), dove over from the one to make the score 14-6.

The third quarter saw little offensive action as both defensive squads dug in. Troy fullback Jeff Larson, filling in for injured Lance Copeland was the only bright spot for the Warriors as Bill Cathers was again erratic in his passing.

Cal State Loses to Vegas Rebels 20-10

Someone must have forgot to mention to the University of Las Vegas football squad that they were underdogs and playing against an undefeated football team coming off their greatest win ever last week because they came to Orange County and rolled to a 20-10 win over Cal State Fullerton before a disappointing turnout of 5,333 fans at Anaheim Stadium.

Usually the Titan offense or defense has a bad day where the other will do well, but both units were never really able to get untracked.

Coach Dick Coury, speaking of his team's first loss, "They outplayed us in every department. I don't think we were flat. They're a good football team. We played our worst football game and they played very good."

The Rebels rushing backfield spelled the story of victory as they rolled over the Titan defensive unit time after time. They were led by Scrambling QB Don Kennedy with 101 yards, Mack Gilchrist churned up 99 yards while Gary Washington ran for 83 yards and 230-pound fullback George Sapphire bulled his way for 41 yards.

The Titans were really never out of the game until late in the fourth quarter with five minutes to go.

In the second quarter Hiatt punted 41 yards to Greg Brawn on Nevada's 35. He fumbled the ball and Bruce Rogge recovered it for CSF.

Mike Ernst was hit after releasing the ball to Tyrone Perry incomplete. A 15-yard penalty was called against the Rebs, but that was as far as the team could travel by ground losing five yards in the next three plays. Hiatt then booted a 41 yard field goal that just inched its way over the crossbar giving Fullerton its only lead of the night.

Nevada traveled 66 yards in 10 plays to score having two big third down plays. Kennedy scrambled for 12 yards on a third and eight and Bob Crumwell caught a 16-yard pass from Kennedy. Gilchrist then scored from three yards out and with the extra point it was 7-3.

The third quarter began and the Rebs were stalled from scoring again on a fumble recovery by Marshall Johnson on the 12 yard line.

From the Fullerton 48, Kennedy completed two passes for 45 yards and Gilchrist then scored from three yards out making the score 13-3.

Ernst seemed to have another one of his bad games having a string of 14 straight incompletions with a few of those being dropped by his receivers.

Ernst then hit Rogge for 12 yards and Jaramillo connected with Rogge for another 11 only Jaramillo was hit hard after passing the ball so the Titans picked up another 15. Ernst then put the club on the board again by completing a pass to Chapman. The score then read 13-10 and the Titans

now had a chance to make it a whole new ballgame.

Everything was beginning to go Fullerton's way as they held Vegas to a fourth down situation. But Jim De Fiores' punt traveled 70 yards in the air setting the Titans back in the hole on their own 20 yard line.

ED Waterpolo Team Defeats Rival Sonora

El Dorado's Varsity waterpolo team boosted their record to 11-4, with a victory over Sonora last Wednesday.

In what Coach Walter Druff claimed to be "the best game this season," the Hawk tankmen slaughtered Sonora, 20-5.

El Dorado is now playing

without all tournament goalie Guy Antley, due to an operation. Sophomore Gary Linschied has filled his position quite well.

ED's frosh-soph team won their seventh match. Jim Louderbeck and Bruce Osterstrom are leading the team. The Junior Varsity lost to Sonora.

FJC Still Undefeated; Beats San Diego 29-12

Top ranked Fullerton Junior College remained undefeated by beating San Diego City College 29-12 at Balboa Stadium last Saturday night.

The Hornets for the second straight game did not play very well. The team wasn't able to generate a good drive all evening.

The defense seemed to be spotty at times against the winless Knights but was able to pick up two fumbles and intercept two passes which set up all the scoring.

Al Pekarcik intercepted the first pass on the Knights' 25 yard line. Gary Wann then connected with tailback Dan Dinkler setting up Dennis Haugh's two yard scoring burst.

San Diego surprised the Hornets by driving 55 yards to score on a pass from Jerry Powell to Bobby Molina covering 26 yards.

Wann then moved the team to the San Diego 11 before being thrown for an eight yard loss. Haugh then kicked a 36 yard field goal that hit the crossbar and bounced over.

Brad Williams then caught a 13 yard pass from Norm Kepner to move the score to 16-6.

Rick Westergard then scored on a 12 yard run in the third quarter putting the game out of reach for the Knights, 22-6.

Fullerton scored again in the third period when Powell fumbled the snap from center allowing Kym

ED Harriers Lose Meet To Sonora

El Dorado's Varsity cross-country team ran their best times against Sonora High School last Thursday.

However, the Hawks lost to Sonora, 24-32 (low score wins). Brent Wood won his seventh race in a lifetime best of 9:58. He is now third in El Dorado's all time runners list, and only the third Hawk to break ten minutes on the EDHS course. He is also the fastest junior in El Dorado history.

Second man Ed Soto again came in fourth and moved to fifth place in the all time list by running a 10:13. Bill Ironroad was third for ED with a 10:24, while Rick Spence hit 10:34 and Tom Menn 10:36. All seven Hawks broke 11

minutes for the first time this year.

El Dorado's JVs boosted their record to 4-1 by stomping the Raiders, 15-47. ED took the first five places from the Raiders with Dave Roy leading the way at 11:01. Jim Unopulos and Val Martin were next at 11:06.

Troy Team Loses To Fullerton

Troy's Varsity Cross Country team suffered its first defeat of the season as they were outrun by Fullerton's Indians 20-34. Fullerton captured the first three places as Richard Meza took first with a 9:54. He was followed by Ubaldo Ponce (9:57) and Terry Carroll (10:01). Pete Friedrich was first to cross the line for Troy with a 10:06. Fullerton's record now stands at 5-0 while Troy is 4-1.

Other placers were fifth, Briggs (F), 10:14; sixth, Sweeper (T), 10:19; and seventh, LeRose (T), 10:24.

Troy's Frosh-Soph team upped its record to 5-0.

Tiger Harriers Outrun Rival Saddleback Teams

Thursday the Valencia cross-country teams take on the Sonora Raiders at 3:15. This will mark the third Orange League meet for the two teams.

Having the advantage of being home, the Tiger Harriers are looking for their third straight win. The Tiger runners are undefeated in league in all three divisions, varsity, JVs and frosh-soph. Valencia has overcome opponents Laguna Beach and Saddleback.

Junior Alex Lopez has led the Harriers in the last three races. Last Wednesday, Valencia trekked to Saddleback where they defeated the Roadrunners 34-21. Lopez finished with a time of 10:36, closely followed by Mike Boaz 10:37 and Ron Mooers 10:45. Manuel Torres placed seventh with a time of 11:10, while Ruben

Rojas placed eighth in 11:20.

Tony Morocco came in first in the JV race leading the Tigers to a 32-23 victory over Saddleback. Rick Schwob and Rusty Miller took third and fourth with times of 11:36 and 11:46.

Coach Mike Cummins was very pleased with his team, "We are running like we should and if we keep it up, we'll have the crown in our pockets."

The frosh-soph team won a decisive victory.

Girl's Team Wins Game With Lowell

El Dorado's Varsity GAA basketball team maintained a perfect record last week by downing Lowell, 32-16.

Doreen Stiffler led the Hawks with 16 points followed by Jamie Blank with seven and Wendy Hyatt with five. El Dorado's record is now 7-0 as the team only has one more game.

EDHS' Junior Varsity team boasted their record to 5-2 with a 24-12 victory over Lowell's JVs. At half time the score was only 13-12 in favor of El Dorado. But the Hawks didn't give Lowell a point the second half as Connie Katchmark scored 11 points to lead the Hawk JVs. Kathy Smith got five.

VHS Waterpoloists Defeat Roadrunners

Valencia's waterpolo team takes on the Sonora Raiders in a home game today at 3:15.

Sonora will be the third team to come up against the defending champions, the Tigers, in Orange League play. The Tiger tankmen have downed Laguna Beach and Saddleback in two consecutive league games.

In last week's game, Valencia drowned the Roadrunners, 21-6. Senior Rick Pickrell has led the Tigers in all the games this season. Pickrell scored 7 points against Saddleback.

Coach Jim Lock commented on Pickrell, "He is the team leader. He has been the leading scorer in all our games this season. He plays a fine game both defensively and offensively."

Senior Charlie Turnbull captured six goals. Other

scorers were Dave Turnquist 2, Bob Zylus 3, Doug Douglass 2, John Quintana 1, and Bob Snyder 1.

Saddleback's JV team fell to the Tiger JVs in a high scoring game, 25-1. The frosh-soph team, under the direction of Coach Richard Leverett, won their game 12-1.

Officer Apprehends Burglary Suspect

An alert officer of the Placentia Police Department is credited for the apprehension of a burglary suspect last Wednesday evening.

Patrolling the 300 block of Santa Fe, the officer observed Larry Perez, 20, of 201 Main Street, leaving a bar on Santa Fe Street.

Continuing his patrol, the officer later saw young Perez enter a bar on Melrose Avenue.

With a second officer, he approached Perez in the bar, and asked him if he was still subject to search and seizure, as a condition of his recent parole. Perez acknowledged the fact, and

permitted the officers to search him.

In his jacket pocket were found a ring, a brooch and a small screwdriver. The ring, the suspect declared he had bought for his ex-girlfriend. The brooch belonged to his grandmother and the screwdriver was used to open the trunk of his car.

When he demonstrated the use of the tool to open the car trunk, officers were surprised with a cache of electric clocks, and a silver chest which contained other jewelry. As the officers looked, the suspect ran.

Perez was apprehended and taken to the Placentia Police Station, where he was

booked on suspicion of burglary.

Brea Police Department Has Ride Along Program

A citizen ride-along program has been conducted by the Brea Police Department since August 1, 1969, according to Police Chief Richard Baugh.

Under the program citizens are allowed to ride with a police officer during his shift to allow them to gain better perspective on the duties of police officers.

Baugh commented, "It is anticipated that at the conclusion of the ride the citizen will have a greater understanding and appreciation of his own police department."

Police officials estimate that an average of eight to ten persons of all ages have been participating in the program per week.

Baugh said that the rules were few. The rider must be over 16 or a junior in high school except that persons 10 to 16 may ride for two hours between 12 and 4 p.m. Persons must be properly dressed, a waiver of responsibility must be signed and approval to ride must be obtained from the concerned watch commander.

Baugh recommended that those interested in participating in the program call the station in advance at 529-3966.

Knott's Berry Farm Thursday, October 22, announced plans for a \$2 million expansion of their Buena Park facilities.

During a press conference at Knott's, Mrs. Marion Knott Anderson, general partner and daughter of the Farm's founder Walter Knott, explained that construction has already begun on a three-acre site near Western and La Palma Avenues.

To be named the "Gypsy Camp," the new area will carry out the theme and atmosphere of a "fascinating and lively" gypsy encampment. It is anticipated that the project will be completed by early Summer 1971.

Physically, the Gypsy Camp will be built to resemble an outdoor encampment of the wandering people known as Romanies.
